

**ALERT**

Dear Residents of our Battery Shores Community,

I hope that all is well in your household! During these difficult and trying times, it is important to be on the lookout for our neighbors, old and young. Although we do have The City of Beaufort Police Department patrolling our community on a regular basis, we should keep an eye out for any suspicious or abnormal activity. When you see something that does not look right, please report it to The City of Beaufort Police Department dispatch at 843-524-2777 or 911 if you deem it an emergency. Please do not try to approach the situation, if possible. Please take photos or notes that may help law enforcement. We are all in this together and with everyone looking out for each other, we will make it through these times safely.

Sincerely,

Peter P. Clark, President

Battery Shores POA
