

October 2021

Dear Battery Shores Resident,

As everyone may realize our little corner of Beaufort has become a very desirable place to live and invest. Over the years, Battery Shores has maintained its stability by continuing the vision of the founders. One of the key parts to maintaining the community is the Restrictive Covenants that each homeowner has agreed to abide by when purchasing our homes.

With this in mind the Board of Directors has received a formal complaint that some Mailboxes and Posts have been installed outside of the design described in the Restrictive Covenants attached to properties in Battery Shores. The information needed to bring your Mailbox and Post into compliance can be found on our website [www.BatteryshoresPOA.com](http://www.BatteryshoresPOA.com) under Restrictive Covenants.

We realize this may seem like a minor situation to some, but this is just one part of the many reasons that our community has maintained its value and has become such a preferable a place to live.

Below is the original design of Coastal Contractors:

Original Custom Mailbox

6" x 6" post with custom top

Black mailbox 11"W x 15"H x 24"D

Black metal numbers 3" - 4" placed horizontally just below the mailbox on the side of the newspaper slot

Valspar "Gallery Gray" paint color

Be sure to go to USPS.com for proper location of the post according to their guidelines.
